

CURRENTLY

Seeking full time employment as a product designer at a company with an inspiring mission.

Skills

I take ideas from low fidelity concepts to polished experiences. My process includes user research, design iteration and prototyping. I also like working with video, photography and good stories.

Expert knowledge in mobile design (iOS and Android), emerging markets and productivity tools.

Experience

Google	2017 - 2010	Senior Product Designer
Scripps Networks	2010 - 2008	Product Developer
Playboy	2008 - 2007	Visual Designer
